## THE ROAD NOT TAKEN

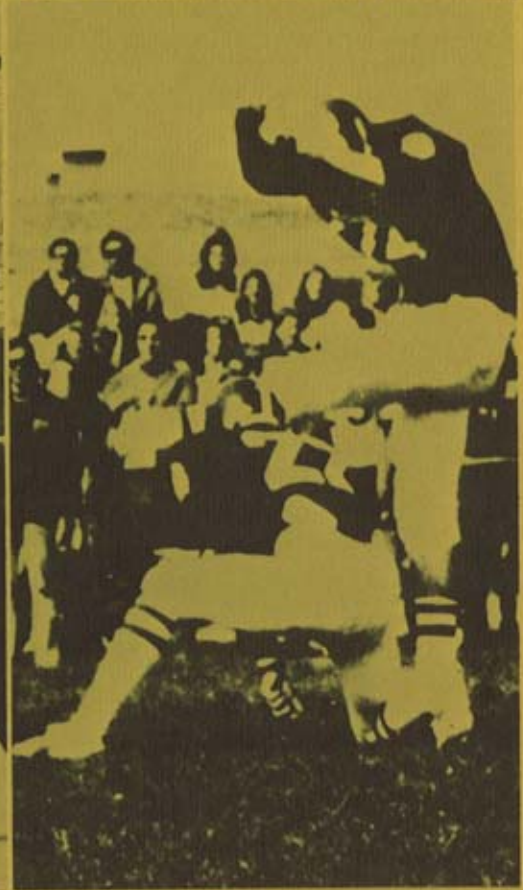

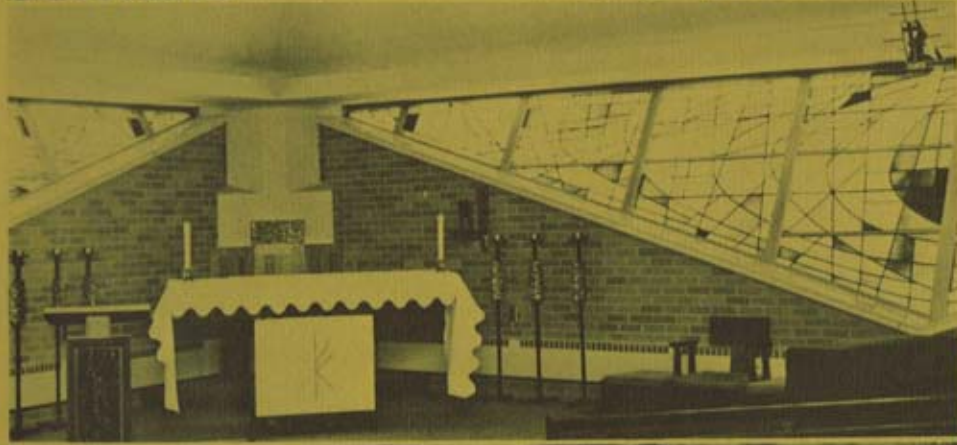

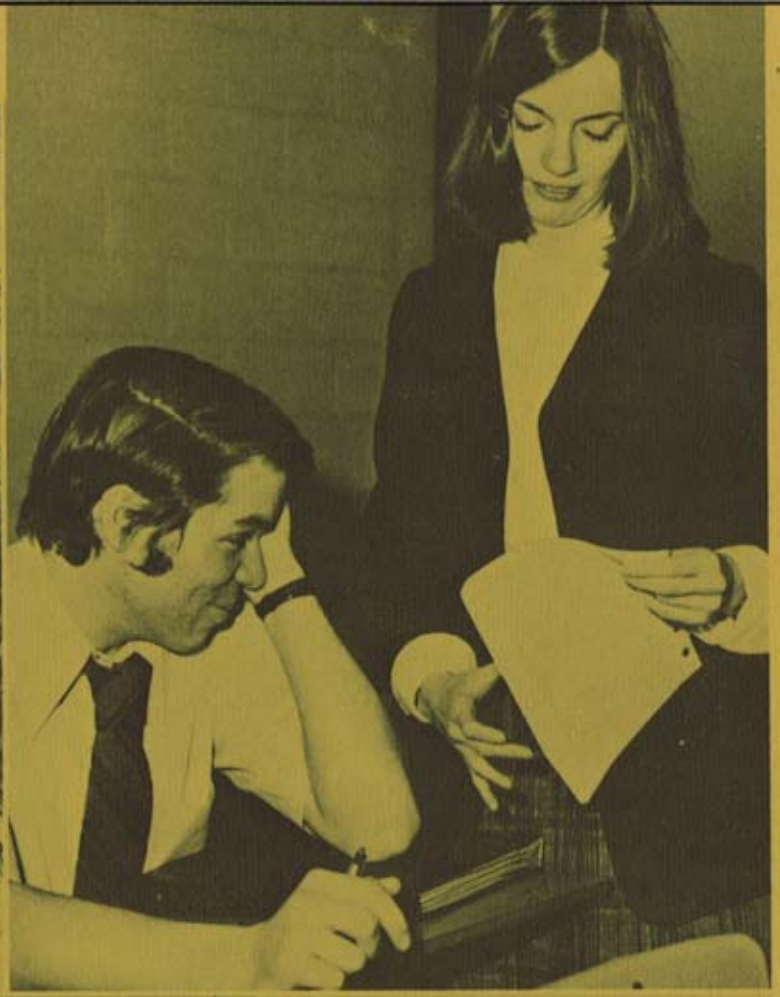

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

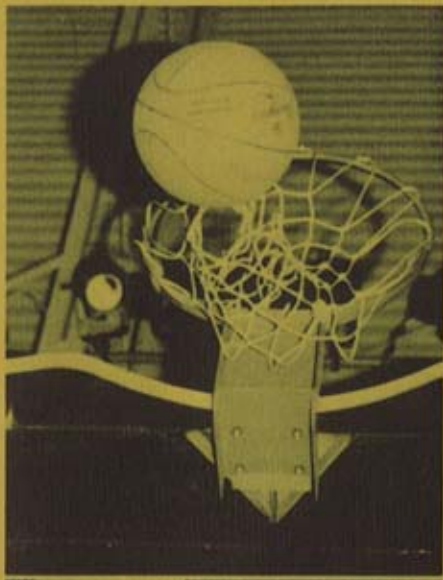

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I —  
I took the one less traveled by,  
And that has made all the difference.

### ACADEMICS

The entrance into high school provides many new opportunities as one's horizons are greatly expanded. Very quickly however, students are required to choose which road they wish to follow. They are prepared for this choice through the experiences gained at Bishop Borgess. Academic knowledge is the foundation of all growth during these years.

This year the enrollment climbed, resulting in larger classes and a wider curriculum. A friendly atmosphere pervaded throughout the year with an emphasis placed on getting to know one another, which included both faculty and students.

The mini-semester introduced at Bishop Borgess in '74, helped to develop these bonds. Courses were offered which ranged from jean embroidery, modern dancing, outdoor barbecuing, and candle-making to quilting, sailing, body language, and chess. Several trips were also offered which afforded students opportunities for travel to the Laurentian Mts. and a week of skiing, to Toronto for a few days of sightseeing, or several trips to Detroit landmarks.

Through academic pursuits, close association with one's peers and adults, and travel, the students store of experience grew, thus enabling them to consider, and choose their path in life wisely.

The Religion Department, headed by Mr. Larry Miller, altered the format of their freshman Religion program. The teachers now change classes every two to three weeks. It is hoped that this new system will offer more variety for the student.

The Religion Department also offers twenty-four elective courses such as, Man and Women, Mystery of Death and World Religions. The reasoning behind the numerous offerings is to allow the students to explore those areas that interest them.

The overall objective of the Religion Department is to teach the student how to deal with real life and its problems.

## Hard Work Pays Off In Music Department

Mr. Leo Tallieu directs with sensitivity the beautiful music of the band.

Joyous Sounds of Music are perfectly achieved by part of the Girls' Select Chorus.

M. Reschke produces melodious music with enunciation.

Varsity Mens' and Select Girls' Choruses practiced many hours to produce harmonious music.

Sr. Helene teaches a new melody.

Sr. Helene

Mr. Leo Tallieu

The band ardently practice their extensive repertoire.

A successful Music program needs three essential ingredients; expert instructors, eager students, and a supporting student body. Borgess is fortunate to have acquired Mr. Tallieu, a superior band director, and the services of Sr. Helene, who improved the choral groups immensely through her leadership. The two teachers were pleased by the hard work of their students in their combined seven classes.

The final product was best displayed at

the Christmas Concert. The music created by the two groups was fantastic, and the gym was packed to the rafters.

The band also got two unexpected bonuses. The first occurred when, for the first time, they were invited to play in the Spring Musical. The second was when they played in the St. Patrick's Day Parade in Detroit.

It was simply an enjoyable year in the Music Department.

# Art Department Aids In The Expression Of Inner Feelings

Art provides a creative medium for all experience — one through which young artists can express their visions with their own unique talents. With this philosophy in mind, the art department under the direction of Sr. Joyce and Mrs. Lucy Wencel, strives to give both, the medium and atmosphere. Future Michelangelos are encouraged to develop their creativity in classes of ceramics, drawing and painting 3D designs, or enameling. To help organize and assist in these varied classes, the department has gained the help of two student aides, Joanne Byrne and Mark Jay. Hopefully this new policy will make the creation of creators easier.

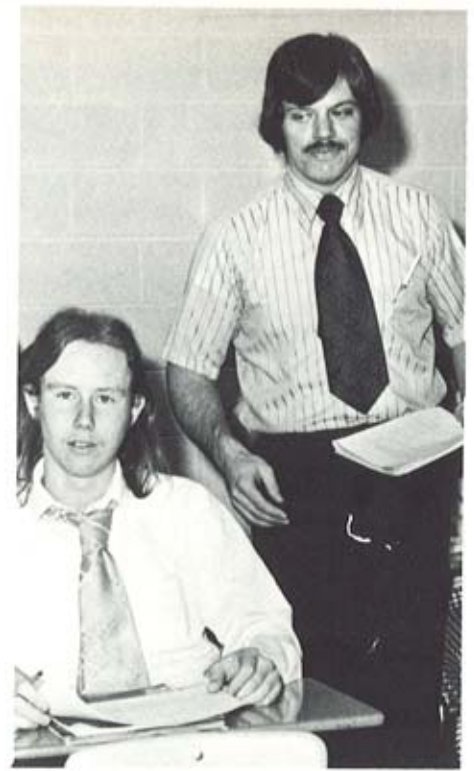

Mr. St. Charles commands his acting army

Eight semesters of English are required in order to graduate from Borgess. More than 24 courses offered through the department help satisfy this requirement.

Students can develop their own skill in creative writing or explore the plays of Shakespeare, the classics, Modern Poetry, and even Science-Fiction.

A new addition to the English curriculum is specialized reading. In this program the students are offered an opportunity to build accurate visual skills with emphasis upon speed, comprehension and vocabulary. There is also a listening program that develops thinking and appreciation.

## Study Of Different Languages Promote World Communications

"What do you mean, am I Italian?"

"Well now, look at Billy over there popping his eyeballs to borrow a wrong answer!"

Sister Rosaire assists Dave Slomba with his Spanish

Contrary to popular belief, Latin is not a dead language, but alive and kicking, as well as French, German and Spanish. The students and the teachers in the Language Department strive together in the advancement of the languages. They have the advantage of benefitting from the language lab, which is quite effective in that it presents the students with an opportunity to hear another person speak fluently in his native tongue.

Sr. Rosaire, head of the dept., believes that, "Taking a language as an elective is important because possessing knowledge of a second language can be beneficial in travelling and communications."

Sr. Kathleen

Sr. Rosaire

The wide range of classes offered by the Social Studies Dept. are aimed at correlating the past and present. Anthropology, for example, explores man's pre-civilization days in the hope that more may be learned about man's development in order to better understand the situation he is in now. Other curriculum offerings include Sociology, Government, Psychology, American History, and World History.

Mr. Marc Baron, chairman of the dept. along with nine other teachers, use various techniques in the classroom such as mapping, current events, magazines, and open discussion.

Through the efforts of the History Dept, it is believed that a basic knowledge of man's past will help him to understand and mold the present.

Mr. Mike Cronklin shares a joke with Karen Kaszowski, Diane Hessler, Darlene Ratski, and Lisa Moffit.

Nursing Chemistry is available for students going into nursing. Biology is now offered at two levels, Basic and General, either for students picking up their credit or for those going on in science.

General Chemistry, Advanced Chemistry, Advanced Biology and Physics are offered to science majors who want a solid background before tackling college courses.

The higher level of Mathematics are not the only courses explored in the Math Department. This year, they have set up a math lab to be used in teaching remedial math.

The courses taught are Basic Math, Fundamental Math, and Applied Math. The main purpose of the lab and the courses it sponsors is to help students with their computational skills. Students work at their own pace to strengthen their weaknesses. The lab is also open to students to use as a reference center.

To succeed in the Business world is the main objective of the Business Department. Mr. Donald Yee heads this Department. To the experienced staff of instructors has been added two new teachers, Sister Eleanor Marie who teaches shorthand, and Mr. Dan Franas who teaches first year typing. A few new courses have also been added to the curriculum namely Marketing District Education I, Management, District Education III, and Careers.

Duplicators, adding machines, dictaphones, and telephones were acquired in order to create an atmosphere which duplicates that of the usual business office. These machines have improved the training that the students receive in the Department, and have greatly advanced their chances for a good job after graduation.

Drafting, taught by Mr. Fred Mushinski, is a developing course for architectural designing and engineering. As a three-year program, the students are taught the basics of drafting and architectural and isometric designs.

Physical Education, a one-year course is mandatory for all incoming freshmen. Miss Kathy Collins, the girls instructor, stresses recreation rather than team sports in her classes, teaching to the students organized skills as well.

Mr. Tom Kennedy is sharing the boys P.E. duties with a student teacher, Mr. Bob Barnett. Both teachers promote physical fitness in their classes.

Many of the students in the drafting class, are hard at work with their assignments.

Miss Kathy Gedert

Home Economics, offered to the tenth, eleventh, and twelfth graders is enjoyed by both the teachers and the students. Miss Gedert, the head of the department is assisted by Mrs. Patricia Akmon. Child Development, Bachelor Arts, and Gourmet Cooking are among the courses taught by Mrs. Akmon. Miss Gedert instructs students in Interior Decorating and the various clothing classes. The students involved in these courses prepare exotic foreign dishes as well as good, old fashioned home cooking.

## Receptive Guidance Dept Untangles Students' Problems

Mr. James Brisky

Mrs. Beverly  
Farley

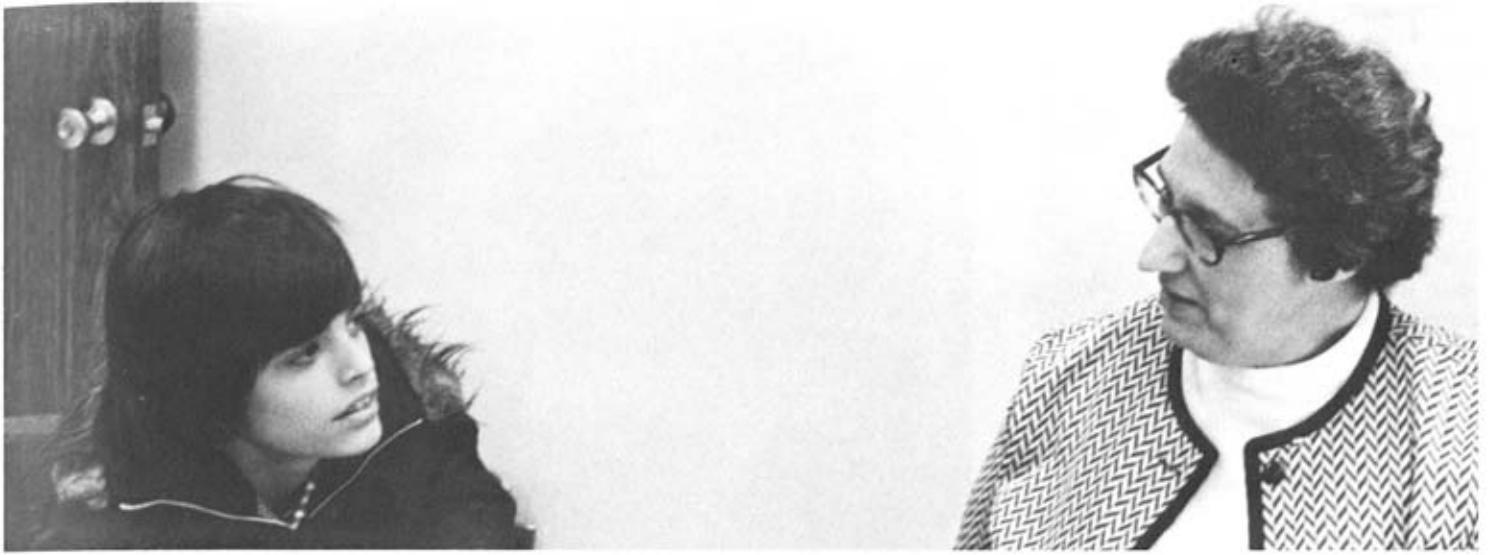

Mrs. Farley makes sure Borgess students get the most out of their schedule.

With the addition of Fr. Wayne and Mrs. Farley, BB now has five full-time counselors. They are under the direction of Miss Dolores Kaczmarczyk and are available to counsel any student. Whether it's a schedule adjustment or a personal problem, the Guidance counselors are always eager to help.

Besides these traditional functions the Guidance Department also hosts sensitivity sessions, several effective listening classes, and a job training program. Abundant college information and job placement information may be easily obtained from any of the counselors.

Chalk up another one for Fr. Ray as he and Pat Donovan manage to chuckle away problems.

"My dear boy, why in the world would you want a lunch?" inquires Miss Kaczmarczyk while talking to Dave Cauvin about a change in his schedule.

At a school as big as Bishop Borgess people might wonder what keeps it running so smoothly. Part of the reason are the three secretaries in the main office: Mrs. Allen, Mrs. Jaroh and Mrs. Buczak.

These three women are experts, being skilled, efficient, and eager to help students and teachers alike. No matter what the situation the office secretaries always seem capable to handle it. From 7 a.m. until 4 p.m. they're busy answering phones, accepting tuition, making out payrolls, figuring taxes and taking care of mailings. These ladies are obviously the operation's mainstay.

## Multi-Media Center Contains Much More Than Just Books

Sister Catherine aides Joe Sullivan in the search of formulas for scientific problems.

A well equipped Multi-Media Center is vital in a school Bishop Borgess's size. Borgess students recognize this, for the center has projectors, records, record players, cassettes and reel-to-reels, filmstrips and transparencies which are all available for the student's and teacher's use.

The Multi-Media Center also contains the obvious books. In fact, there are over 1,400 books, ranging from a volume of poetry to a dictionary written entirely in Spanish. Newspapers and magazines complete the availability of the written word.

Sr. Evangelist assists Sr. Catherine in keeping the center orderly and up-to-date.

## Mini-Courses, Jan. 7-18, Offered Something For Everyone

Mo Harrington carefully crochets her afghan.

Career opportunities were discovered by the students who visited the Cadillac Motor Car Division.

"This is just like playing in a sandbox," agree Sue Sollars and Kate McDermott . . . but, a little later, a beautiful terrarium results.

Maryann Rapnicki and Nadine Slowik have mastered the techniques of Batik.

The purpose of any educational institution is to educate the total student. Because a well rounded education cannot be achieved by concentrating entirely on academic subjects and sports, Borgess began the Mini-Semester.

During the weeks of January 7th to 18th, the Mini-Semester helped the students to enrich their education. Courses offered during this period ranged from a serious look at current social problems to the fun of outdoor barbequing and hobbies with weeds. Crocheting, Quilting, Yoga, Judo, tours of Detroit and the Ontario Science Center, and a ski trip to the Laurentian Mountains were a few of the numerous course offerings.

Besides making headlines at Borgess, the Mini-Semester was covered by the local news media. Representatives from many area schools also visited Borgess.

## STUDENT LIFE

The time spent at Bishop Borgess can amount to nearly every waking hour, as any student discovers along the many roads to involvement. Numerous kinds of activities, organizations, and athletics complete a spectrum of experiences beginning with academics.

Nearly every sport is offered through Borgess, on an inter-school competition level or as an intramural, while involving both girls and boys. Football, cross-country, swimming, golf, wrestling, basketball, track, gymnastics, baseball, softball, and tennis comprise the athletic program.

Numerous clubs offer students the chance to continue to develop interests, meet new people, earn money, receive recognition, or simply, have fun. The Student Council, Math, Business, Sunshine, Science, Bike, Bowling and Varsity clubs, Cheerleaders, Band, Pom-Pon girls, Labyrinth, Harbinger, National Honor Society and Quill and Scroll are only part of the club offerings at Borgess.

Activities sponsored through the school are inexhaustible and are planned with numerous objectives in mind. Fund raising and the participants' enjoyment are two of the most prominent. From dances, both casual and semi-formal, activity nights, and car-washes to theatrical productions, sleigh rides and the annual dance marathon, a wide variety of entertainment is offered.

Living in the mini-world of Bishop Borgess High School, these experiences offer students the chance to develop and enrich their Christian personalities, preparing them for the many roads which they must face and travel once they graduate.

## Student Council: An Organization To Serve The People

Fall Board: Jerry Sherry, treasurer; Diane Szeljack, secretary; Sue Babcock, co-president; Steve Legal, co-president.

Ron Sulk, Ken McDonnell and Mary Ellen Bush prepare a Christmas basket for a poor family.

The Student Council is an organization meant to serve the people rather than being a power structure.

The council consists of fall and spring boards. This years officers were co-presidents Sue Babcock and Steve Legel; secretary Diane Szeljack; and treasurer Gerry Sherry, who was replaced by Mike Kinsman in the Spring.

Three major events held by the Student Council were the used book store, the hayride, and the dance marathon. Other projects sponsored were the manning of the Redford Recycling Center, student exchange days, Thanksgiving and Christmas charity baskets, and concession stands for basketball games.

Co-presidents show pride in attaining new flag.

Spring Board: Steve Legel, co-president; Sue Babcock, co-president; Diane Szeljack, secretary; Mike Kinsmen, treasurer.

## Moms And Dads Lend Proverbial Helping Hands To Borgess

Buttons & Bows displays the talents of the moms.

This year's Dad's Club was the sponsor of several events including the annual raffle, which raised \$10,000 towards a new bus and the scholarship fund. A Millionaires Party, the Christmas Party and an Edgewater trip which was unfortunately cancelled due to poor weather were also Dad's Club projects.

Much efforts was also put forth in the Mom's Club ventures including the Fashion Show-Card Party and a Day of Recollection at St. Mary's Retreat House. They also donated two modern wood carvings for the chapel.

1973-74 MOM'S CLUB: Mrs. Sherry, pres.; Mrs. David, pres. elect; Mrs. Bodah, sec.; Mrs. Bush, treas.

1973-74 DAD'S CLUB: FIRST ROW: Mr. Horrigan, sec.; Mr. Kusic, vice-pres.; Mr. Legal, pres.; Mr. Miles, treas.; SECOND ROW: Mr. Augustin, Mr. Wierzbicki, Mr. Stropes, Mr. Matusla, Mr. Bartkoniak, Mr. Lokuta, Mr. Karol, Mr. Crowley, Mr. Thiesin.

"You know, I just don't understand it. I thought I had the cards marked!"

The recruiting team consisted of 38 seniors and was advised by Mr. Marc Baron, Mr. Michael Conklin, Mr. Ralph Owens, Mr. Fred Mushinski, and Mr. James Rowe. These young people visited various grade schools and gave the students a presentation about BB which consisted of a filmstrip and a tape. A question and answer period followed the presentation.

The recruiting team travelled to 23 different schools this year. They felt it was a very successful endeavor because of the 425 freshmen who will be coming to Bishop Borgess next year.

A luncheon at the Boar's Head was the teams reward upon completion of the '74 recruiting drive.

## Enrollment Climbs — BB Recruiting Team Does Excellent Job

## The Harbinger Tells Of The Current Happenings At Borgess

"What do you mean there's a paper shortage?"

After the Harbinger is released the halls of Borgess seem to resound with "The Harbinger said . . ." and "Did you read about . . .?"

Since the Harbinger comes out once a month people might feel it would get behind the times and contain stale news. However, under the watchful eyes of Miss Haggerty the Harbinger is full of current events and contemporary editorials. Approximately twenty five people make up the staff headed by editor-in-chief Larry Watson.

The Harbinger has been awarded first place from the Quill and Scroll for the last three years.

Vicki Thomas munches on an afternoon snack while reviewing a feature article.

Sports Editor, Mary Puroi, finds herself swamped with work as the deadline draws nearer and nearer.

THIRD ROW: Bob Barlow, Ken Paszek, Rick Surma, Jim Overholt, Pat Rumptz, Rick Parent, Mike Caputo, Dave Misialowski.

A yearbook is a momento, an enjoyable book to be fondly perused, but it is also a lot of work. In fact, at times this year's staff believed they were caught in a Labyrinth, rather than building one.

Under the direction of Miss Joganic, the 1974 Labyrinth underwent a few changes. The staff workload had been redistributed in order to adjust to a new publisher.

For the second consecutive year the staff was headed by co-editors Jan Hubacher and Sue Babcock. These girls, along with Miss Joganic, dedicated many long hours to inspire the students to produce a book of only the finest quality.

Mike Kinsman works diligently transforming creative ideas into inspiring words.

## The Bishop Borgess Labyrinth '74 Is Simply "A-mazing"

## Enthusiastic Coach Spurs On Debate Team. Result . . . Success

1973 DEBATE TEAM: FIRST ROW: Kathy Kuzdak, Mary Ellen Decaluwe, Sharon Martin, Anne Marie Barrett, Nancy Kujat, Coach David Gugala. SECOND ROW: Sharon Crowley, Mary Budde, Mary Jo David, Kathy Bush, Mary Fitzgerald, Dan Dunn. THIRD ROW: Andrew Schenk, Mark Oumedian, Tom Plunkett, Bill Graham, Tim Flaherty, Paul David.

Mary Jo David delivers her side of the argument.

Nancy Kujat organizes her thoughts while Bill Graham presents his views.

Mary Ellen DeCaluwe offers her opinions to an opponent.

Borgess debaters were inspired this year by their new director, Mr. David Gugala. Their exceptional performances enabled them to participate in the Wayne County Novice League. The team of Sharon Martin, Mary Ellen DeCaluwe, Tim Flaherty, and Tom Plunkett placed second in this program, with 13 wins and 3 losses. The entire debating team consisted of 22 members.

Debate is separated into two levels of participation, Novice and Varsity. Those with little experience are placed in the Novice league. The results for this level were 12 wins and 6 losses. The Varsity team, consisting of experienced debaters, turned up both 8 wins and 8 losses. Mr. Gugala expressed his hope that next year's team would be even more successful.

Sharon Martin refutes her opponent.

1974 FORENSICS TEAM: FIRST ROW: Coach David "Dad" Gugala, Jan Hubacher, Sue Babcock, Maria Romoslawski, Lori Tremonti, Karen Pace, Kathy Bush. SECOND ROW: Kathy Kuzdak, Donna Foley, Sharon Crowley, Liz Prus, Nancy Kujat, Karen Poszywak, Sharon Martin, Mary Jackman. THIRD ROW: Steven Legel, Norm Minton, Ken Tomaszczyk, Katie Mullin, Sue Sutherland, Mary David, Cindy Rojowski, Darlene

Ratski, Sheryl Tuszynski. FOURTH ROW: Ken Knasiak, Mike Sobier, Grieg Heimbuch, Tom Plunkett, Dan Dunn, Gary Zammit, Mike Bulger. FIFTH ROW: Pete Shaheen, Art Zuk, Dave Muliatt, Devin McCarthy, Mark Omedian, Tim Flaherty, John Pakos, Mike Irwin. NOT PICTURED: Anne Barrett, Joe Sullivan, Ann Garbinski, Glenn Varlesi, Paul Burger, Cathy Thiesen, Mary FitzGerald, Mike Kinsman.

The champion 1974 Borgess Forensics Team was composed of fifty ambitious and talented students. The categories in which participants exhibited their talent were Declamation, Storytelling, Humorous, Multiples, Serious Interpretation, Radio News, Boys and Girls Oratory, Boys and Girls Extemporaneous and Serious Dramatic. The team's season had been described as superb. Not only did the field of Forensics at Borgess draw more people and recognition from the students, but it also drew citywide attention to the school's academic prowess. The team as a whole placed third in the Detroit Catholic Forensic League. Kathy Bush, Nancy Kujat, Steve Legel, Mary FitzGerald, and Katie Mullin placed in the Nationals which were held in New Orleans.

During the past year, Mr. Gugala, advisor of the team, tried to expand speech interpretation to show every student that he or she was capable of reading orally, providing enough time was devoted.

"Two B.L.T.'s, extra tomato and hold the mayo."

Emotion is the key to Dan Dunn's declamation on "Ted Kennedy's Eulogy For His Brother Robert."

## Business Club Beneficial For Business Orientated Students

Activity Night attracts enthusiastic students.

Helen Pochik organizes the annual Business Club field trip as members look on.

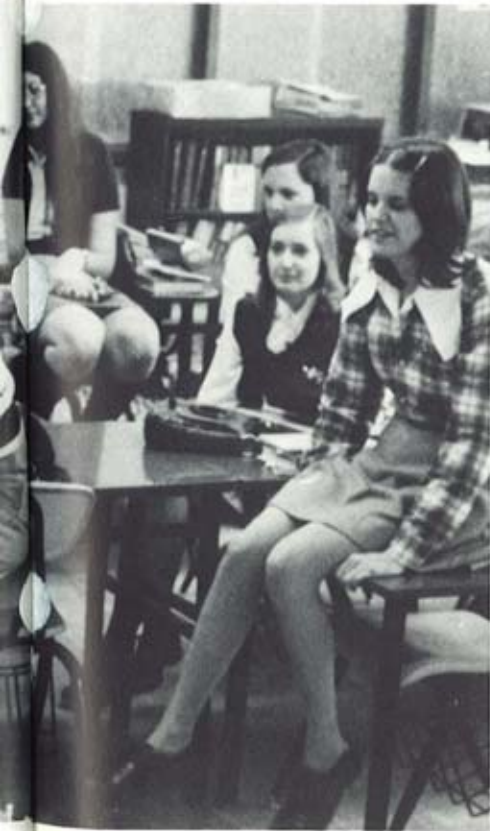

1973-74 Business Club: FIRST ROW: Debbie Lewandowski, Vice President, Alexis Brazeau, Secretary, Helen Pochik, President, Debbie Fota, Treasurer, Miss Christine Jedynak, Advisor. SECOND ROW: Darlene Ratski, Debbie Stier, Cathy Sowe, Kathy Laske, Marie Koltunchik. THIRD ROW: Linda Morehead, Stella Tremonti, Sheryl Tuszynski, Mary Bojanczyk, Cathy Elby. FOURTH ROW: Jim Bomay, Mary Pellar, Cathy Rogers, Marie Reschke, Kevin Johnston. NOT PICTURED: Jan Hubacher, Lois Priebe.

"What's wrong with going to Upper Volta for a field

H. Pochik and Miss Jedynak enjoy a moment at ease.

for a field trip Mary?" inquires Sheri Tuszynski.

Students planning to enter into a business profession would find joining the Business Club beneficial. The Club offers excellent opportunities for students to learn the many background operations of business occupations.

The Business Club sponsored many events during the year, including an Activity Night. Some of the money raised from these events, along with dues collected from the members, was used to go on a field trip to the Better Business Bureau. The remainder of the money was used towards the purchase of machines for the Business Department.

At the end of the year, the Business Club's annual banquet was held to initiate new club officers.

Weekly Business Club meetings prove to be interesting for members.

Terry Hom goes over clubs' financial standings with advisors Sister Sharon and Mrs. Jacob.

The Science Club helps interested students learn more about science, and possibly, pursue a career in this area.

The highlight of the year was a trip to Chicago's Museum of Science and Engineering made possible by profits from the club's many cookie sales. In addition, a visit to the Medical Center and Science Museum at the University of Michigan proved a valuable learning experience.

Sr. Sharon and Mrs. Jacob, the club advisors, believed that most of the club's hopes and ambitions had been fulfilled during the year.

And now we will create a mate for Frankenstein

"Guess what, I just found a mistake in Einstein's Theory of Relativity"

## Women And Song Combine To Produce Pom-Pon Girls And Band

Baton Majorettes Carrie Galdes and Diane Hall add a new thrill to half-time festivities.

M-i-c-k-e-y sings Cindy Beale and Marlene Peters.

The Pom-Pon girls under the direction of Mrs. Betty Yura, performed at football games, pep rallies, basketball games, and wrestling meets. These twelve girls developed their own dance routines to the music of popular recordings and completely charmed the crowds. They were honored by a request to march in Redford's St. Patrick's Day parade.

The music for the girl's was provided by the Bishop Borgess Band. Mr. Leo Tallieu, director of the twenty-one students, was happy to witness a 50% increase in membership. Besides performing at athletic events, the band also performed at concerts, and the spring musical.

1973-74 POM-PON GIRLS: Marlene Peters (Captain), Sharon Peck, Lynn Kogut, Mary Falzon, Kathy Gergle, Karen Walton, Sharon Hier, Diane Bartus, Clare Waldecker, Marianne Piro, Laurie Gibbons. Not Pictured: Cindy Beale, Linda Martell.

## Sparkling Spartans Send Spirit Soaring

Cheerleaders are girls with rare qualities and talent. It's these girls that keep the crowd hoping to the last minute for a victory. They sparkle, smile, and seem to have an endless supply of pep.

Borgess cheerleaders are also ready to participate in activities besides the traditional. They have sponsored numerous functions including the annual Grade School Clinic, Activity Nites, dances, bake sales, and teaching during the Mini-Courses.

The highlight of the year for the cheerleaders was the C.Y.O. contest where the Varsity cheerleaders placed among the top five, and the J.V. cheerleaders in the top four. The Varsity also appeared at a Detroit Piston's game, where they received a standing ovation for their light routine. At the State Championship, they won 8 ribbons and a fifth place trophy.

1973-74 JV CHEERLEADERS: FIRST ROW: Paula Malecke, Maureen Kelly. SECOND ROW: Paulette Zalewski, Mary Beth Bork. THIRD ROW: Jean Doemer, Coach Chris Jedynak, Peggy Hiltz.

## Working Together To Better Themselves Varsity Club Goal

The Varsity Club, advised by Mr. James Brisky, was composed of all the athletes on the Varsity squad in the various interscholastic sports.

To raise money, the club held many Bagel sales. A dance was also planned for this purpose. Profits from these activities enabled members to attend several Piston games and also the NCAA Track Finals.

The goal of the Varsity Club was better communication between athletes, which inspired cooperation and also a more enjoyable competition.

Mr. Mushinski and Devin McCarthy watch the activity at the successful Varsity Club dance.

## Talented Senior Trio Of Sports Stars Aim Toward The Pros

A kicking hero for Borgess, Tom Birney is headed for another "Home of the Spartans" — East Lansing.

An All-State lineman, Marty Kennedy is also heading for Coach Dennis Stolz' MSU football squad.

Reese Dobrick peers in for his catcher's sign.

Three Borgess seniors have so distinguished themselves in athletics in their four years here that the LABYRINTH has decided to honor these three "pre-professionals".

Marty Kennedy had started every varsity football game the four years he's been here. A promising pro prospect, Coach Fred Mushinski remarked, "Marty should reach early stardom in his college career."

Teammate Tom Birney is known as "thunderfoot" to the opposition. Cool under pressure, Coach Mushinski commented, "Tom has the ability and determination to become a great collegiate and professional placekicker."

Reese Dobrick has two routes to pro status. He is the ace of the varsity pitching staff. He has also been a star for the Detroit Junior Wings and gained All-American honors in 1974.

"Now let's see which picture did I want"

Tom Donnelly captures students in moments of artistic inspiration.

## Skiers Learn Balance, Skill, And Friendship On The Slopes

It sure is a l-l-o-o-o-ng way down.

"Hey! How do you stop these crazy things?" pleads Dave Anderson as he zooms down the hill.

"I'll say one thing for this chairlift, it sure beats walking".

This was the first year of an organized Photography Club at Borgess. Membership consisted mainly of Freshmen boys.

To assist other organizations in various photographic needs was the groups main objective. A good example of this included taking pictures for the yearbook.

The club's goals both as a group and as individuals involved the improvement of photographic skills as a tool and an art.

Winter brings out the skier in alot of us, and as in previous years, groups of Borgess' Jean Claude Kileys' took to the slopes at Pine Knot and Alpine Valley.

## Disc Jockeys Provide BB Students With Lunch Mod Music

Kicking the "jams" out of WJAM with DJ-Rocky Bialek.

Silent equipment awaits WJAM's mellow melodies.

This year, as in past years, Borgess' radio station — WJAM, provided students with musical entertainment during their lunch mods. The disc jockeys themselves were students that gave their free time to run the station.

Mr. Peter Jungermann, the moderator of the disc jockeys, felt he had a solid group to work with though it was small in number.

## B.B. Students Are Rewarded For Their Outstanding Talent

Senior members of the National Honor Society

A moment of fulfillment was experienced by the class of '74 Valedictorian, Barb Corso, who maintained the highest grade point average in four years of high school.

The 1974 Math Club: Debbie Gujiatek, Mary Kosinski, Joanne Sullivan, Steve Holden, John Insprucker, and Sr. Mary Godfrey, advisor.

The Mu Alpha Theta Math Club is an organization which investigates topics in mathematics which are not covered in the classroom. The faculty advisor of the club, Sr. Mary Godfrey, possesses knowledge and ambition which enables the club to acquire a skill in higher mathematics.

Two of the members, John Insprucker and Steve Holden, are members in the national honorary math society, Mu Alpha Theta. Requirements are an overall "B" average in all subjects with a junior status in math.

The main goal of this club is to cultivate both an interest and an understanding of higher and more complicated mathematics.

## Buckets And Brooms Produce Sparkling Walls And Floors

All year long the janitors cover the school from top to bottom with their buckets and brooms. During the Christmas and Easter break every classroom is scrubbed and waxed by the maintenance crew. Summer vacation is used to paint almost all of the school.

John Ploszynski supervises the work of the crew as well as doing general repair work and ordering all supplies.

The cafeteria is maintained by Jean O'Connor who keeps the machines filled and in running order. Mr. Behe reminds all students to "please clean your tables before you leave", in order to make the cafe a place where students may safely eat. In putting everyone's efforts together a clean building appears each morning seemingly effortlessly.

Tom Sharp and his mop really clean it up.

'This Magic Moment' was the name of the homecoming dance but it could also have doubled for the name of the game as Borgess pulled off a victory in the final seconds.

On the evening of September 30 two hundred couples gathered to celebrate homecoming. It was a chance to pay tribute to the queen and her court and to hail the conquering heroes, better known as the football team. In the true meaning of homecoming, it was also a chance to welcome back the returning alumni.

A new idea was attempted by the Drama Department in the '73-'74 Fall Play. Presented for the entertainment of all were two one act plays. First in line was "The Interview," a criticism of modern computerization and technology. The play focused on the impersonalization which occurs in modern society. "Curse You, Jack Dalton" was the second play performed by the ambitious actors and actresses. The presentation was an old-fashioned melodrama which added a few laughs to a rather tense atmosphere.

The fall play was enjoyable for both the participants and the audience.

In the play "Curse You, Jack Dalton," the leading actress and actor were Cindy Dul and Tim McIsaac.

Mark Oller puts on the finishing touches.

Once again Bishop Borgess students used their imagination and creativity in the Christmas door decorating contest. Electric lights were not permitted because of the energy crisis.

All of the classes participated in the decorating, but the two homerooms which emerged as winners were rooms 132 and 212. Mrs. O'Callahan's sophomore girls "candy shop" won the commercial award while Mr. Conklin's senior men captured the religious award with a three dimensional nativity scene.

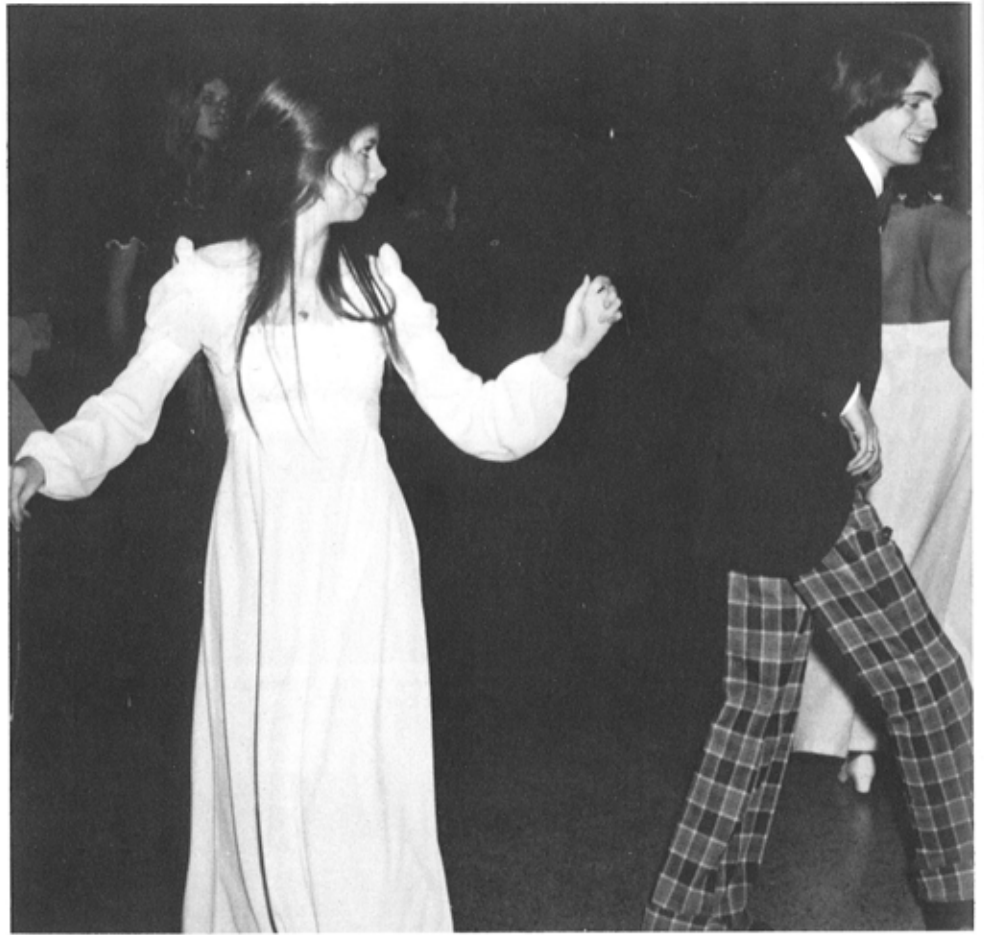

The numerous Christmas decorations helped to instill the holiday spirit in the Borgess students. The feeling was emphasized when Santa Claus himself wished all a very "Merry Christmas".

## Inner Happiness Glows In Smiling Faces

Dan Martell and Penny Cody boogie to the music of "Caruso"

Father Joseph performs the miracle of the Eucharist by transforming the wine to the Blood of Christ.

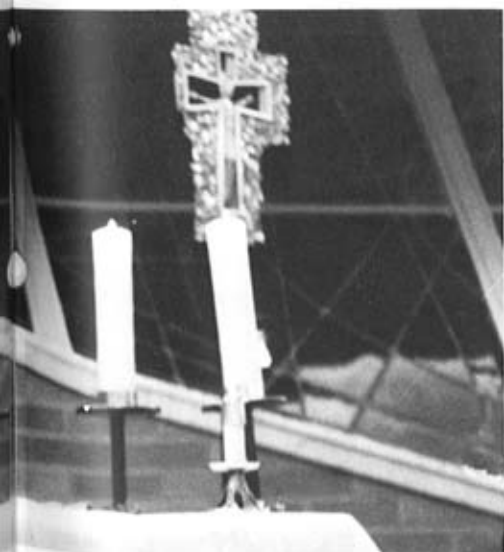

Marianne Wolfe believes that "Tis the season to be jolly"

Mary Lee Cooley and escort, among other couples, started the evening with the true celebration of Christmas.

Friday, December 28, 1973, the night of the annual Sadie Hawkin Christmas Dance, was a cold, starry night. For many couples, though, it proved to be quite a warm, rollicking, "Starry, Starry Night," filled with dancing, music and refreshments of cookies, punch, and holiday cheer.

The evening began with the traditional Christmas Mass held in the chapel. In keeping with another tradition, each couple brought a special name-engraved ornament and decorated the pine boughs with their own personal touch of Christmas gleam. Then, with music provided by "Caruso," they danced with Christmas Spirit, sparkling in everything from silver-sequined suits to rich red velvet gowns.

Indispensable to the success of the evening were the many hard working hosts and hostesses.

Bishop Borgess Third Annual Dance Marathon was held April 16th in the cafeteria. Seven couples entered the Marathon which was sponsored by the Student Council.

The Marathon consisted of 14 hours of dancing and exercises. The exercises were a new addition to the Marathon. The exercises, such as dancing backwards across the cafe, increased the competition by making the 14 hours more difficult to endure.

Couples were judged every half hour on how well they danced. They were rated on a scale from 1 to 10. Points were totaled at the end of the Marathon and the couple with the lowest total received a first place ribbon. A second place ribbon was also awarded.

Winners of the 1974 "Best Couple" award, Peggy Rachunok and Ron Salk display their winning style.

## Borgess Takes a Nostalgia Trip With The Dance Marathon

"Oh Vicki! You just thay the thweatest things"

"Huh, vat do you mean dancing affects de mind?"

"If I can only hold out one more hour . . ."

All seven of the entering couples left with sore legs, big smiles, and trophies presented by the SC Board.

## Spring Musical Draws Hidden Talent From All Grade Levels

Bill Sikes sings the terrifying "My Name".

The Broadway hit "Oliver" was the Drama Department's choice this year for its annual Spring Musical. It was another great success with the box office tallying an attendance second to that of "Mame".

Oliver is the story of a young orphan who goes from place to place until he finally finds a home and love with his long-lost grandfather.

This year's production was an all school effort. The leads and supporting roles went to students ranging from seniors to freshmen. However, the cast weren't the only ones who deserved a hand. Deep thanks also went to the many crews for their continuous support, the directors, and the student directors, Vicki Thomas and Pat McDevitt. The show would not have been the same without these dedicated people whose hard work too often remains unnoticed and unglorified.

Mr. Bumble and his bride learn of Oliver's true identity and vow to retrieve him in "Oliver".

Mr. Brownlow shows his maid the locket confirming his belief that Oliver is his grandchild.

"Who will care for me in me old age?" ponders Fagin. "Must a fellow be a villian all his life?"

Nancy's efforts to return Oliver result in her death at the hands of her lover, Bill Sikes.

Moments before his death, Sikes makes a last attempt to kill Oliver and save himself.

Mr. Jungerman prepares chorus member.

Sikes is dead, Oliver is returned to his grandfather, and the entire cast and chorus return for the finale.

## "The Classics:" A Pageantry Of Celebrated Seamstresses

The audience sat spellbound and amused while watching the BB theater of fashion.

Jan Harris glances at her introduction page as another fashion takes a twirl.

Hey, cut out the whistles — one wolf is enough!

To display the results of diligent and often difficult tailoring, the sewing classes held their annual fashion show, "The Classics," on Saturday, May 25, 1974. The Effect was impressive. The styles were varied, fashionable and extremely chic. In addition, they were sewn with a selection and care that indicated the very professional attitude of 'BB' seamstresses. The entire show was quite a compliment, not only to the respective teachers of the Home Ec. Dept., Miss Kathy Gedert and Mrs. Patricia Akman, but also to the "entire operation" of Bishop Borgess High School.

## Junior's Long Awaited Breakfast Arrives Packaged in Gold

One of the "smaller" Junior class gatherings

"Wow, was I ever hungry!" groans Mary Davis

Juniors and Seniors are recognized annually through two major events . . . the Ring Breakfast and the Honors Convocation. The Breakfast is sponsored by the Sophs and includes platefuls of catered eggs, sausages, hotcakes, and toast. Of course, the food tends to be somewhat forgotten for a few moments as the anxious guests wait for their long expected bands. Honors Night celebrates the various accomplishments of the Seniors from business awards to college scholarships. Seniors bask in the acknowledgement and glory of it all, but scattered tears can be noticed too, for the Convocation also signifies the near completion of four years of Bishop Borgess life.

The fifth graduating class experienced two memorable nights, May 30 and June 7, 1974. May 30 was the date for the annual Senior Prom, "Precious and Few," at the Hillcrest Country Club. All who attended will remember the great band, enjoyable meal, and a thoroughly entertaining evening.

June 7 was the night of graduation exercises at Ford Auditorium. Mr. Joseph Stroud, Free Press editor, was the guest speaker for the occasion. It was a teary scene at the end, as friends parted to go on their separate ways. But none will forget the fun and joy shared together by the Class of '74.

Spartan opponents didn't find many opportunities to run to daylight against Borgess defense.

There was no trouble getting fans to the games and their enthusiasm affected the entire squad.

"There was a definite unity on the field as well as in the stands," stated Head Coach Fred Mushinski, adding that, "This was the most productive offensive team that Bishop Borgess has ever fielded." The Varsity made news throughout the season, first by beating powerhouse Brother Rice, then by almost upending Divine Child. They were given a full report by The Detroit News and their games were always heavily covered by the media.

Fan interest and enthusiasm inspired the squad many times throughout the season, even inclement weather didn't hold back the fans from attending.

## Frosh Win With Stingy Defense And Awesome Scoring Punch

The Junior Varsity encountered a rugged schedule and came out of it with a respectable 3-3-1 record. Defense was the strong point of the squad, and Coach Frank Knasiak commented, "The team played real well all year. They never gave up until the game was over. The defense team always played real tough, very good prospects for Varsity".

The Frosh began their season slowly, suffering setbacks from Notre Dame and Aquinas, however, they would not lose another game this season as they blanked three opponents consecutively and breezed through the last three games. The six game winning streak gave the new Spartans a 6-2 record under Coach Eugene Grewe.

## X-Country Individuals Donate The Incentive For Victory

This year's cross-country team, under the guidance of Tom Kennedy and co-captains Mark Oller and Steve Legel, ran a season of complete dedication complimented with cooperation and friendliness. The members spent many arduous hours in practice sessions striving to reach not only individual, but also, team goals. The season was highlighted by the unprecedented skill of Mark Oller who, in three short months, achieved All City, All Catholic and placed twenty-fifth in the State. Besides the Varsity members, the J.V. and Freshmen teams, also gained recognition this year by placing first in both of their invitationals.

The Golf team enjoyed its finest season with a 9-2 record, and a share of the league championship. This came as a complete surprise to the league, and to Coach Donald Yee. "At the start of the season, I only expected a .500 season," said Coach Yee, "but the guys went all out and did a great job."

The team's finest hour came when they played Shrine at Rouge. Four players — Gary Sibole, Matt Richardson, Greg Hajydla and Phil Parker — shot 40 or less on the par-36 course. The four totaled 148, as a new record low for Bishop Borgess.

Karen Rodgers jumps for joy.

The Bishop Borgess Swim Team turned in their suits and a 0-7 record for the season this November.

The team, which consisted of 35 girls — 5 divers and 30 swimmers was coached by Mrs. Judy Bellovary.

The home pool's location was changed from Mercy in Farmington to the Y.W.C.A. in Redford. The length of the events was also changed from 50 and 100 yd. events to 100 and 200 yds. making competition much more difficult.

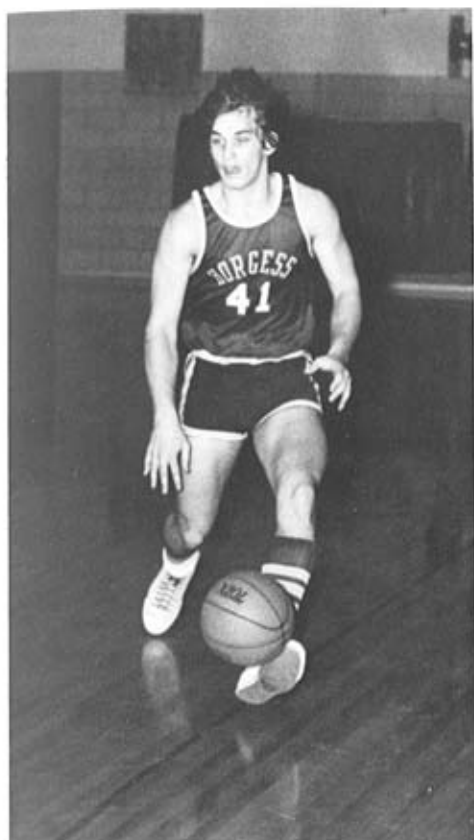

The highlight of the season occurred when the girls were challenged by the senior men to a swim meet. They put in a fine performance and defeated the men, who couldn't stop the girls from swimming off with the meet.

## Varsity Small In Stature, Not In Heart And Determination

"All right which one of you guys has got that greasy kid stuff on," Jim Pearce questions

The Varsity Basketball Team had one of their most disappointing seasons, but according to Coach James Brisky, the players were in good spirits. "The team was an excellent group to coach," said Mr. Brisky, "a great bunch of guys and easy to work with. The team stayed together despite a losing season, also, their attitudes was always positive."

Even though they had a rough year, an individual highlight was the 32-31 victory over Servite. At the pep rally earlier in the day, Coach Brisky announced there would be a "surprise" for the Panthers that night. The "surprise" was stall-down tactics which almost froze the Panthers offense. However, the Spartans had to hold on to an exciting contest. The Varsity may have been small in height compared to other clubs, but their heart was as big as all of them.

New Frosh Coach Ken Flesch mixed the right talent and combinations for a 7-3 season record and a share of the League Championship. Hard work and unity produced team coordination throughout the season, making Mr. Flesch's first coaching year successful.

Coach Patrick Mulcahy's Junior Varsity had a rough season, as the entire league was tough this year, despite this, their drive and enthusiasm endured throughout the year and the team gave it their all in every game.

The Girl's Junior Varsity Basketball Team put forth a tremendous effort, only to close out the season with a disappointing 4-6 win-loss record. Coach Collins and the girls spent many long hours practicing to uncover new skills and to develop different techniques. The JV composed completely of freshman, showed good spirit and sportsmanship while representing Borgess at Rosary's post-season tournaments.

## Girls Varsity Basketball Experience Extraordinary Season

The Girls Varsity Basketball Team, with the help of Miss Collins' seven years of experience at coaching, has turned in an extraordinary group. Miss Collins feels that the team was successful because of their good attitude, cooperation, and the willingness to practice. The team turned in an exceptional season with 14 wins while only suffering 5 losses. Nine players were on the team; three seniors, two juniors, one sophomore, and three freshmen. The girls competed in the State tournament and won the district title before being defeated in the regionals. They also participated in a tournament at Divine Child and won.

The State Tournament provided thrills and excitement for all teams involved.

The relatively inexperienced Wrestling Squad has a season to remember. The team struggled in the beginning, but after getting familiarized with Coach Sam Ellis' methods the squad caught fire, winning eight of their last eleven meets. In tournament competition, Borgess placed well at Novi. In his first year here, Coach Ellis believed it was a great year for himself and his men.

Looking ahead, twenty-four out of the twenty-eight men on the club will return as lettermen, an indication of a young squad doing well. Also, fan interest grew so much that Coach Ellis has a tournament at Borgess planned for next season. Fan interest and team skill are definitely looking up in the wrestling programs.

## Five Months Of Grueling Practice Lead To Division Title

After countless hours of practice, the 1974 Track Team can now stand back and survey the much deserved results. This year, eight men achieved All-City — Rich Turner and Gary Cummings (Pole Vault), Steve Jaremski (Shot Put), Ken Yates, Dave Salesky, Gary Hicks, and John Moxlow (Mile Relay), and Mark Oller (Mile Run). Under the direction of four coaches, Steve Strauch, Gene Grewe, Dan Delaney, and Tim DeBeliso, and tri-captains Mark Oller, Steve Legel, and Steve Jaremski, new school records were set at nearly every meet. The Sports Banquet proved to be the culmination of the dedicated efforts, for besides the individual awards taken by Most Valuable Players Mark Oller and Ken Yates, and Most Improved by Gary Hicks and Rich Turner, the entire team had won the A-A championship a mere hour before.

The Bishop Borgess Girls Track Team experienced another successful year. Winning every meet, the team realized that the long, arduous hours of daily practice had paid off.

During the season, sophomore Sharon Schoeb set a new record for the 80 yd. hurdle with a time of 12.2. Junior Linda

Rodgers came in second in the 100 yd. dash and equalled the previous record time of 12.3. The girls relay team finished first in the 440 relay with a record time of 53.1.

Congratulations to all the girls for a job well done!

## Poor Season Doesn't Diminish Tennis Team's Determination

It was a rebuilding year for the Tennis Team, as the new coach, Ken Flesch worked with a freshmen-sophomore squad. Like most rebuilding teams in sports, the "netters" took their lumps more often than not. However, this did not crush their spirit or determination, as they gave their all in every match.

The poor year didn't prevent some fine individual performances. Senior Len Baziuk placed ninth in regional competition and received All-City honors. Two frosh who had superb seasons were Chris Holcomb and Marty Rochon. With one year of rough competition behind them, the Tennis Team looks forward to the future with a hope for better things.

Kevin Holcomb didn't miss on this shot.

## Talented JV Show Gutsy Determination In Attaining Crown

The successful pitcher must have concentration, proper form, and a fast, accurate delivery.

The Junior Varsity won their league championship in 1974 under coach Bob Barnett. The team averaged nearly eight runs a game. Pitching and defense also shined brightly as they only allowed an average of three runs a game.

The championship road was not easy for the JV's. They played Servite in a doubleheader, and St. Mary's, needing two wins to tie and a sweep to win it outright. In a slugfest, the Spartans swept the doubleheader 6-5 and 17-8. They won the championship with a 3-0 whitewashing of St. Mary's. It was a gutsy finish for a determined, talented squad.

The 1974 Girl's Varsity Softball Team combined 11 returning players and 11 new players for a most successful season. Coached by Miss Kathy Collins, the girls finished first in their division. One of the biggest games of the season was against Gabriel Richard. Borgess won the game 1-0. The team finished with a 9-1 division record.

The Girl's Varsity Softball team entered the west side play-offs and won their quarter final game against Cabrini. The final score was 8-2 after 12 innings of play. In the semi-finals the girls play Gabriel Richard and won 9-6. The girls were defeated for the city championship by St. Clement, Centerline. They played 8 innings with Mary Kay Itnyre striking out 14 batters. Borgess also had more hits than St. Clements, the Borgess batters getting a total of 11 hits, awhile St. Clement only had 4.

In the winter, basketball was held in the gym with Sam Ellis, the director of the Intermural program. In both of these leagues, these were separate guys and gals divisions. A new concept was tried in the spring by Mr. Ellis with the baseball league. A mixed league was formed with guys and gals competing together. The expansions and advancements made this year are steps to insure a successful program in the coming years.

## UNDERCLASSMEN

The underclassmen of Borgess consisted of 1,300 individuals who frequently discovered their paths crossing during the academic year. Inspiring in one another a healthy sense of competition, the freshmen, sophomores, and juniors provided the ingredients for a successful school year.

The freshmen made up more than a third of the underclassmen, numbering approximately 500. After electing six people to represent them, they proceeded to meld themselves into one path. This resulted in the sale of the most raffle tickets for the Annual Dad's Club Raffle. The charity project was completed around Christmas and involved the collection of five thousand tea bags, which were given to a home for the aged. The frosh also held a dance in May. Sophomores, the next largest class with over 400 in their ranks, sponsored two very successful dances, one in February, and one in April. Most of the money gathered was used to sponsor the Junior Ring Breakfast. Their tremendous group effort resulted in a special experience shared by the sophs and juniors.

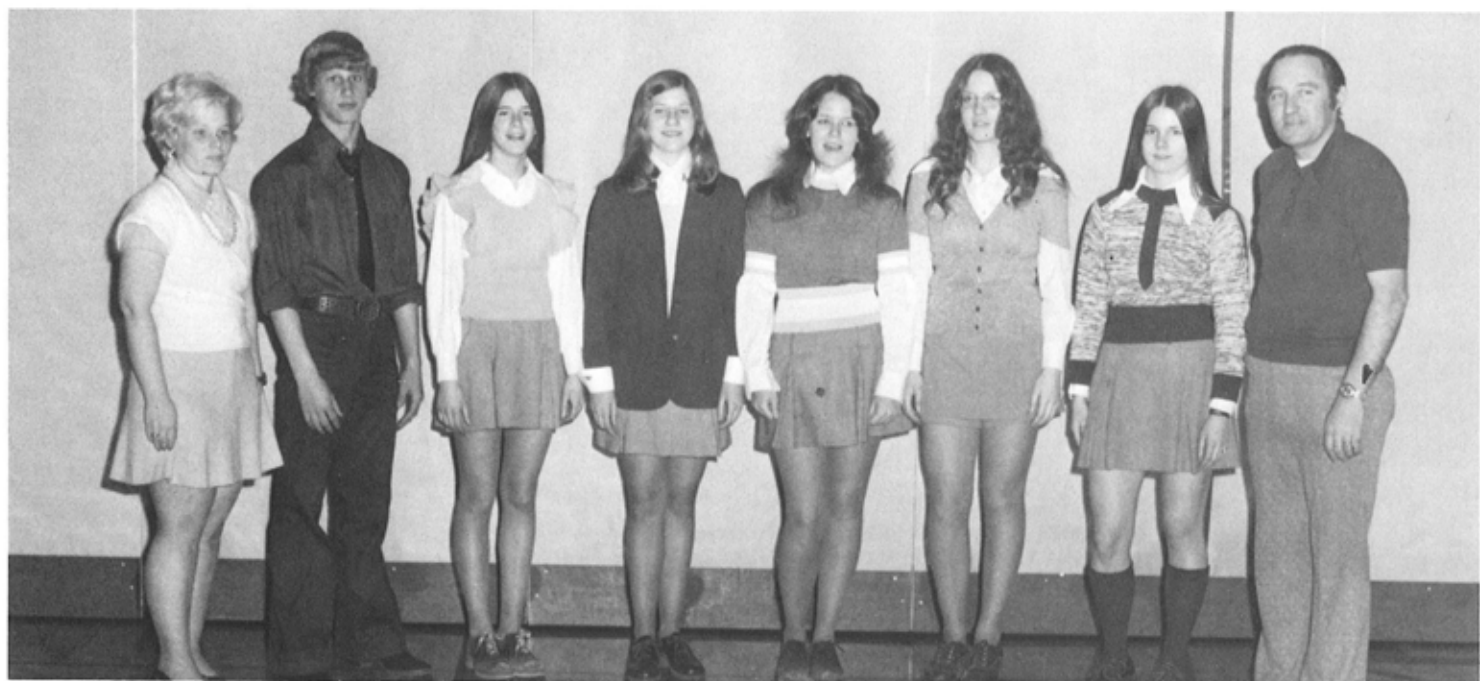

A busy year awaited the Class of '75 as they scurried to raise funds for the Senior Brunch, and eagerly anticipated the attainment of their class rings. A Sadie Hawkins Halloween dance, a paper drive, and another dance in May completed their fund raising activities for the year.

Finals in June ended the year for the underclassmen. For the most part, their paths separated as each student moved on to discover and develop his own identity during the summer.

Not all frosh are shy.

Freshmen homeroom cars were proof of their enthusiasm.

Homecoming was the first Freshmen class involvement for the new school year. Because they were not yet organized, the class did not have a float. However, they showed their spirit and enthusiasm by decorating their homeroom cars for the parade.

In addition to the Freshmen class participation in the parade, they worked at the homecoming dance by collecting admission tickets and serving refreshments.

"Look out below!" warns Tim Burke.

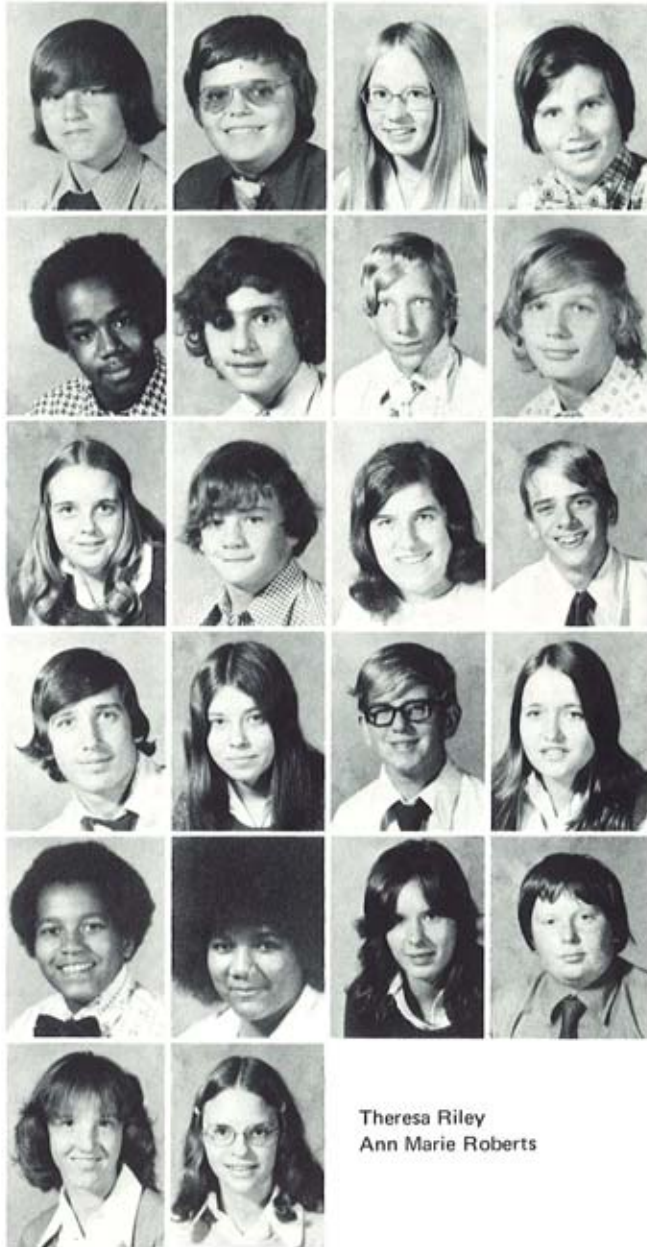

The Class of '77 adjusted to the traditions of Borgess with unexpected ease. They were well represented with homeroom cars at the Homecoming game in late September. They contributed the most to the Dad's Club raffle. The frosh donated a good share of the charity baskets at Thanksgiving and Christmas, and to the weekly mission collection. Many Frosh joined the various clubs around Borgess. At the end of the year, they sponsored their first large class activity, the "Strawberry Revival" dance, which was a success. The Frosh gained a reputation of a hard-working class in their first year.

Freshmen enjoy sitting, relaxing or talking over the latest gossip at one of many dances they attended.

Two Frosh chicks "boogie down".

R. Zwick and B. Lecznar share a quiet dance together.

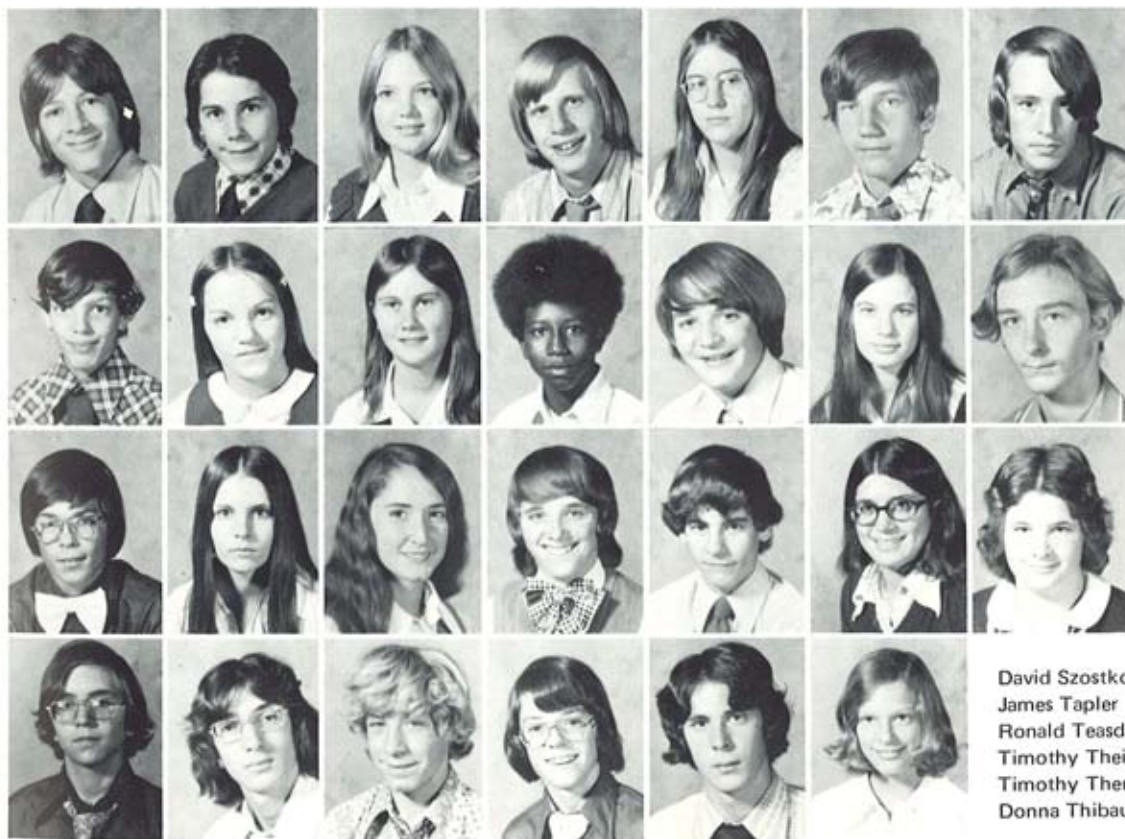

During the course of the year, the Frosh found room in their hearts, as well as in their schedules, to assist the senior citizens residing in the Burtha Fisher Nursing Home. In order to do this, tea bags were collected and given to the elders.

At the end of the drive the total number of tea bags amounted to over five thousand. They were delivered in time for Christmas.

The home, run by the Little Sisters of the Poor, became the object of the first Freshmen charity project.

A crowd of many ages gathers in front of the band for a free concert.

The Frosh held their very first dance on May 24. The "Strawberry Revival" was the first large-scale fund-raising activity sponsored by the Class of '77. The Detroit Mannequins supplied the music for the night. The class officers, the volunteers' hard work, and the support received from their fellow students made the dance a big success. The money will help pay for the next year's Junior Ring Breakfast which the class of '77 will put on for the Class of '76.

The early Homecoming date forced the Sophomore class to build their class float in record time. The theme of their float was "Knights in White Satin", and Roxanne Bialek was their representative in the Homecoming court.

Just after homecoming, the Sophs held their first dance of the year. "Heavy Music" was a big success at the gate and paid for half of the Junior Ring Breakfast. Finally, the Sophs did well in the Dad's Club Raffle and their efforts were well appreciated by all.

The Feb. spotlight shone on the Soph dance

Sophomore Class Officers and Advisors: Mr. Conflitti, advisor; Bruce Berry, Treasurer; Diane Bartus, Vice President; Bill Graham, President; Colleen McKettrick, Secretary; Mr. Poledink, advisor.

Mr. Conflitti and Mr. Polenick, the sophomore class advisors feel that the 73-74 school year was a great success, especially for the sophomores. The numerous profitable activities sponsored by the sophomores played a big part in this according to Mr. Conflitti.

"The cooperation has been terrific. I enjoyed working with the sophomore class officers. The officers, Bill Graham, Colleen McKettrick, Diane Bartus, and Bruce Berry have been excellent. They have taken the responsibility of leading the sophomores and they have done it well."

The Sophomore Class sponsored their second dance, "Featuring The Group Candle", late in February. The profits from the dance, combined with the profits from the previous dances, provided enough money to finance the Junior Ring Breakfast.

"Featuring The Group Candle" was a success through much effort and determination. Those who volunteered for clean-up coat check, doors, and refreshments fulfilled their responsibilities. Everyone involved enjoyed themselves immensely.

The atmosphere was created, not only by the lights, but by the band as well.

On May 17, 1974 the Sophomores concentrated their efforts and money to sponsor the traditional Junior Ring Breakfast. The occasion was financed with profits from the two very successful dances hosted previously. Sausages, pancakes, eggs and toast with juice, milk or coffee were the entrees of the appetising meal planned by the Class of '76. The breakfast was held in the gym, which the Sophomores decorated.

Following the meal the Juniors received their class rings while the Class of '76 dreamed of being the recipients of such a breakfast, still a year away.

Sophomores were on hand to taste the food as well as serve it to the Juniors.

Realizing the responsibilities and duties placed upon a class's shoulders in their junior year, the class of '75 came together and rallied behind their candidates for class officers. The officers would have to be mature, willing to work and able to give freely of their time. At the outcome of the election four students were in office who measured up to all expectations.

The board, made up of four executive positions, worked with four advisors at coordinating activities that were both enjoyable and profitable.

Juniors clown around on Homecoming Day

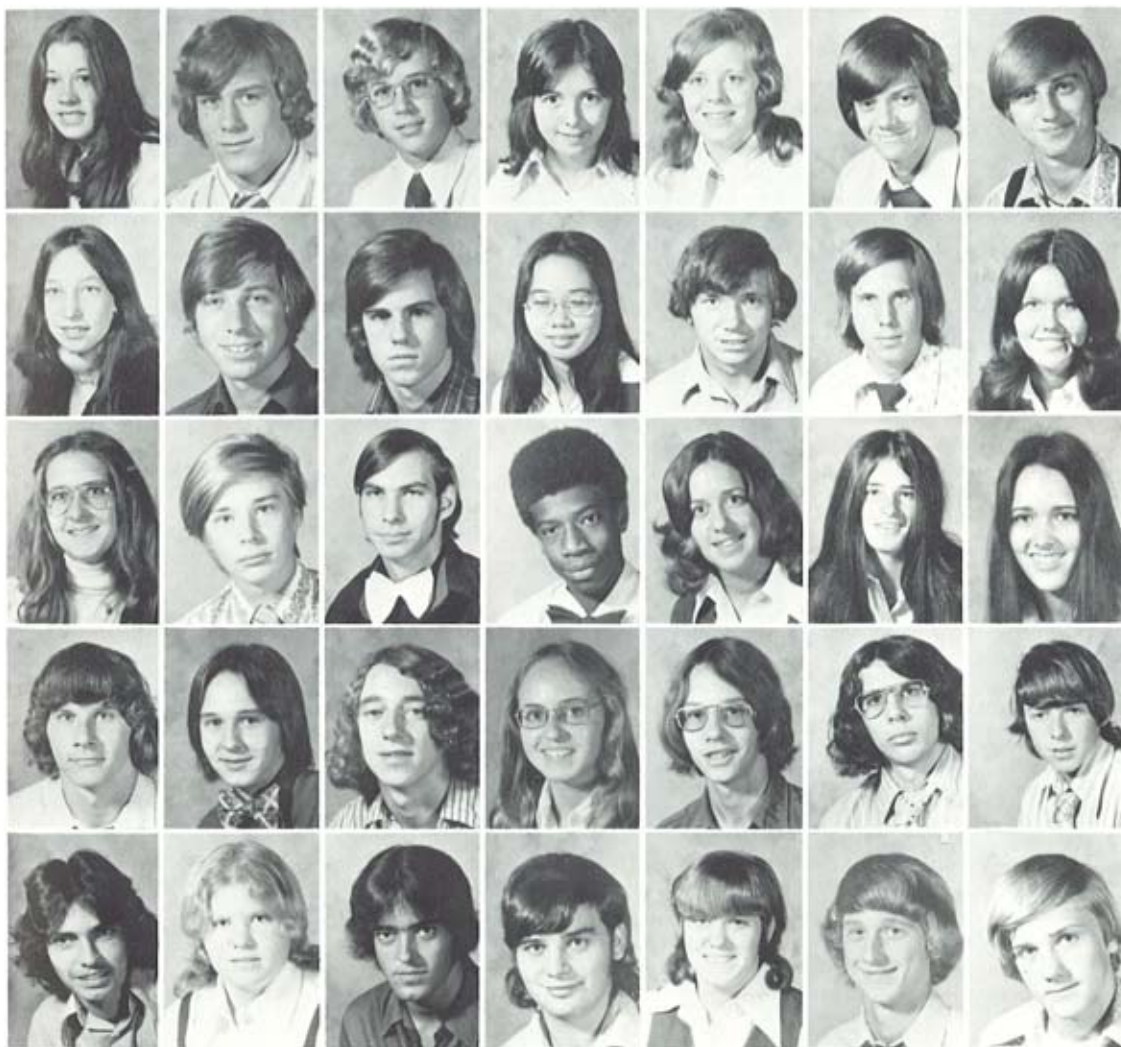

Juniors hard work pays off as judges declare their "funny" float the best

The Juniors started out the year setting aside old traditions and instituting new precedents.

For almost a month, day and night, the juniors creative juices flowed as they made ready their entry into the annual homecoming float contest. By the end of half-time, when the judges announced their decisions, the juniors knew their efforts weren't in vain.

The juniors started their third year off on the right foot and all looked hopeful for it to continue that way.

Friday, May 17, 1974, the annual Junior Ring Breakfast was held. Sponsored by the Sophomore Class, the program opened with a warm welcome from Sophomore president, Bill Graham. Having introduced Mr. Uetz and Mr. Griffin, the presentation of awards followed. Joanne Byrne deservedly received the Outstanding Junior of the Year Award and ninety-six juniors newly inducted into the NHS received their membership cards. Finally, the preliminaries were over and the paramount moment arrived: the presentation of the rings. When each junior walked up proudly to receive their ring, feelings were no doubt varied. Many felt elation and joy, others a begrudging pride. However, as the rings were slipped on, most felt an awesome sense of responsibility and allegiance to their new class of seniors.

The Junior Dance, illustrated by the expressions of pure enjoyment, was a proven success.

Kim Dudek  
1958-1973

"Anyone who would have walked into our halls this morning would have known that a great tragedy has deeply touched our family here at Bishop Borgess. Someone we have loved very much, Kim Dudek, is no longer with us. Your feelings now reflect how tenderly and deeply Kim was able to enter into your lives. She was a person who cared — she was a person who enriched our lives.

We feel the heaviness of sorrow and emptiness move through our bodies, but let us also try to focus our minds on the real meaning of her death. Her death is not the end — her death is a new beginning because she has been called home by her loving Father."

Fr. Ray Vanderviere

## SENIORS

Senior year was a year of decision and uncertainty. High school opened many different roads, each leading to the future. With a sense of responsibility seniors had to decide a path, one they might well follow the rest of their lives.

At the same time, the year contained many happy, carefree moments. As a senior in high school, one could sit on the top rung of the ladder excitedly reigning as a wise guide and adult, while possessing the exuberance of the young. The thrill of watching or participating in athletic events was never lost on the Class of '74, as their cheers rang out at every event. The many school functions, especially the major dances, found a good number of Seniors present and enjoying themselves to the fullest.

Perhaps the most memorable events in the minds of the majority of seniors were those which wrapped themselves and their classmates in a warm blanket of friendliness. The Seniors Only Dance, skip day, the Brunch, the Prom, and Graduation were all very special occasions which were eagerly anticipated, then suddenly over in a flurry of excitement and tears. For as the Class of '74 began their long journey down the road of their choice, they had to leave behind their carefree, happy high school years at Bishop Borgess.

Kathy Bush was all smiles even though her job wasn't always so funny.

For the first time in the history of Bishop Borgess the Senior class president was a girl. It was also the first time that all four senior class officers were held by girls. Kathy Bush was president for the class of 1974. She was ably assisted by Jan Hubacher, vice-president; Karen Lee Pace, treasurer; and Donna Foley, secretary. The officers worked well together, planning and organizing class fund raising events and activities. Their enthusiasm greatly helped to unify the Senior class.

"Tier Fire" provided the beat and the Seniors took over from there.

"And when I get home, I'll shoot someone!"

With the year rapidly coming to an end, and the Seniors making plans for their future, the Annual Senior Dance sponsored by the Dad's Club provided a final social gathering point. A great band and decorations by the Junior class set the mood for a memorable evening for all. Other attractions of the night included a baby board and some poster-sized blowups of some "darling children." A few Seniors even went away richer than they came: the Dad's Club raffled off cash prizes to ticket holders.

Elbow room grew pretty sparse but no one seemed to mind as this was one of the last times they would be together.

One day out of each year it seems all the seniors contract the same disease-Skipitis

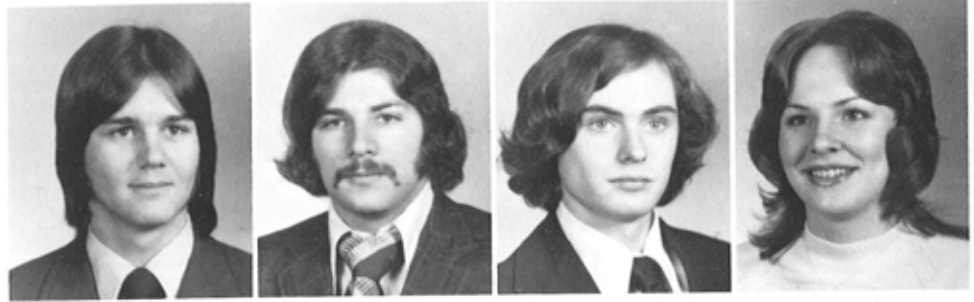

This is a secret day, known to everyone 2 weeks in advance. The seniors go to their favorite picnic spots to enjoy a day with their classmates.

This day is meant for seniors only, although there are some underclassmen who feel the need to be in the great outdoors.

The traditional day provides another time for the seniors to be together before they are scattered like seeds in the wind.

The gently rolling lawns, red carpeting, crystal chandeliers, and in general, elegant surroundings of the Hillcrest Country Club provided the setting for this year's Senior Prom, "Precious and Few." The price of the ticket was \$30 per couple, which included a complete Prime Rib dinner, two color portraits of each couple, and a Coke Bar. Music for the evening was provided by a sixteen piece orchestra. The 200 couples who attended the Prom found it to hold many moments to cherish.

Bob Blackwell, Carol Tilson, and Kathy Dudzinski dig in at the Brunch.

June 6, one day before the release of the 375 members of the Class of 1974, graduation practice was held in the gym. The Senior Brunch, honoring the students-soon-to-be-adults followed.

As the hungry Seniors surged into the cafeteria, delight appeared in their eyes. The walls they had painted looked fresh and bright. Hanging ferns and flowers complimented these walls. Most importantly though, food awaited them which was both tasty and plentiful. Salads, mashed potatoes and gravy, chicken, rolls and butter, a choice of coffee or milk, and cake comprised the menu. Tables were filled by the happy seniors which held centerpieces of flowers in upsidedown graduation caps.

Following the meal the mock election results were announced with the accompanying "prizes" given to each winner.

The majority members of the class of '74 were greeted with a kiss and a lei as they stepped from the plane in Hawaii. A panorama of palm, coconut, and banana trees greeted the eyes of the weary, but excited travelers. Delight awaited everyone when after checking in at the hotel, they hit the beach with its hot sand, sun, and warm salty water. Unhappiness was experienced by an occasional swimmer who got a mouthful of the salt water, or a sun worshipper who forgot how strong the sun was in Hawaii when he ended up with a burn. But for the most part, the buoyant, refreshing feeling of the Pacific Ocean was enjoyed by the swimmers and surfers. The beautiful sights of Hawaii-Diamond Head, Pearl Harbor, Waikiki Beach, pineapple and sugar cane fields, and the Hawaiian sunsets were seen and savored by most of the group. At the end of the eight days of "hanging loose" or relaxing in Hawaii everyone vowed to come back to "paradise" again someday.

Well, Volume 5 is complete. Many times amidst the havoc of missed deadlines I proclaimed the end to be in early June, however, in reality it came a month later.

Yet, the year will never really end. In my mind this past year of creating Labyrinth 5 will always be vividly remembered and cherished in many ways.

The experiences I, and every member the staff have shared have taught us all quite a bit. The value of organization and the ability to keep one's perspective reigned importantly. The capacity to laugh at errors, and cheerfully correct them became precious. But the most meaningful lesson I have learned was the true, irreplaceable value of friendship. To Jan I give my affection and respect. I trust she will know that it will always be "co".

To my June workers, who came through once again, especially the invaluable Darlene, I am speechless. I love them all, and wish I could express my heartfelt appreciation adequately. Our advisor, Mary Ann Joganic has experienced, once again, all the trials and tribulations of working on a yearbook. But she has untiringly guided us towards a more perfect book, for which I am grateful. To everyone who has contributed to this book, our publisher, Western Yearbook; Powell Studios; Detroit Diesel Allison, GM, the Borgess Photography Club; our principal, Mr. Uetz; and and especially, the parents and families of the staff members, I extend a deeply felt thanks. The result is now evident, and I hope you are pleased.

I know I am.
